Dear Mr. Wilhelm:

Because your letter of the 15th says pyou want the books I can supply, herewith are the only extant editions of the other two books of the WHITEWASH series, the first and the third, and FRAME-UP. The cost is $20.50 including postage, handling and insurance.

With respect to LEGACY OF DOUBT, I am certain Nyes is sincere. I am also certain the entire work belongs in a garbage pail. It is inaccurate, incomplete, irresponsible, irrelevant and not worth a second look.

We maincain a mailing list and will add your name to it in the event we can publish any of my newer work.

Sincerely yours,

Harold Weisberg
